Pork

#	Product	Type	Price
Rattlesnake Ridge Ranch			
	Baby Back Ribs		
#324	Order number of packages. Our baby back ribs are extremely meaty. Cut from the loin, the "ribs" are smaller and the meat is more tender. There are about twelve bones per package. Great for smoking or grilling, these are processed in a USDA inspected facility and are all natural, containing no additives or preservatives.	All Natural	\$5.99/pound
	Bacon - "Ends & Pieces"		
#778	Order number of packages. These are quite literally the 'ends and pieces' of a slab of bacon. Their thicknesses vary substantially, as do the shape and texture ... but the taste is still the same and absolutely terrific! While Chris and the boys fry these and eat them like bacon, I prefer to use them in baked beans for that 'authentic' taste. If you're looking for that perfect peice of crisp bacon, you probably need to check out our regular or cottage bacon. However, if you need that bacon flavor for a casserole , etc, at a cheaper price, this is a great way to do it. Package weights range from .75 pounds to 1.5 pounds. Ingredients are the same as our regular bacon.	All Natural	\$3.99/pound
	Ham - Quarter		
#313	Order number of hams. All of our ham is an award winning, hickory smoked product. It is a bone-in ham, which allows the flavor and heat to better permeate the meat while cooking. It is 100% pure ham - not a 'ham and water' product. A quarter ham typically weighs between 5.5 - 7.5 pounds, and is a perfect size for most families. Same great taste as our other hams - just a more convenient size with fewer leftovers. Our hams are cured with water, salt, brown sugar, sodium erythorbate, sodium phosphate and sodium nitrite.	All Natural	\$4.99/pound
	Hickory Smoked Pork Chops		
#298	Order number of packages. Our Hickory Smoked pork chops are bone-in to provide additional flavor and distribute heat evenly while cooking. They are sliced 3/4" thick and cured with an award winning recipe. They're perfect on the grill - these are my favorite of all the products we carry. They come packaged two chops to a package. Most packages weigh between .8 pounds and 1.3 pounds. Ingredients: Water, salt, brown sugar, sodium erythorbate, sodium phosphate and sodium nitrite.	All Natural	\$5.99/pound
	Sausage - Mild Breakfast Sausage		
#775	Order number of packages. Our lean ground pork blended with a mellow, mild seasoning. Delicious! Ingredients: Ground pork, salt, red pepper, spices, and sugar. NO MSG! Each package weights about 1 pound.	All Natural	\$4.99/package
	Tenderloin Roast		
#779	Order number of packages. This is the true tenderloin, the most tender and flavorful cut from the animal. Great for smoking, making pork medallions, or sweet and sour pork. Very versatile cut.	All Natural	\$8.99/pound
